

# Kansas Kaleidoscope

Volume 12 Number 2

Worksheet 1: **Point of View**

After reading the article “Get a Clue!” you should know a little more about point of view. For this assignment you will make a drawing of the same car from different points of view.

You are in the driver’s seat of the car. Draw what you see.

You are sitting in the back seat of the car. Draw what you see.

You are standing next to the car. Draw what you see.
